## REPORTS

- Bernie and John Wilson who accompanied the recent District Youth Exchange Safari Group visit to our Club on Sunday 6 December for a Pizza Tea in " Harry's Park" have sent a letter of thanks from the Students who also hoped that those present enjoyed their songfest.
- The Club has received letters from interested local high school students seeking Rotary exchange overseas. This will be discussed at our Club Assembly next week.
- Already some sponsors have indicated interest in our Golf Day and Chairman Bill Winn will report on this at our meeting.
- As soon as we receive badges and other materials from Rotary Office in Sydney we will be inducting Frank Cassells with classification Chartered Accountant into our Club. There should be no shortage of financial expertise now in the Club given we have a number of members with a finance background now- future trainee Treasurers eh?
- Bob Nelson, Sole Paez and the Pres. met with staff of Joyce Mayne at Sippy Downs last Friday afternoon and negotiated an excellent deal for the purchase of all our AV equipment - computer/warranty/software/projector/speakers/screen and tripod. Volunteers to set it up are needed and hopefully we can display it at the Club Assembly next week.

## DID YOU KNOW?

Our Club Assembly next week is the place to discuss future directions, new ideas and any concerns about the Club operations or management.

## PRES'S PONDERINGS

- \* Mooloolaba Rotary Club has extended an invitation to our Club on Monday March 15 at 6-00pm at Headland Golf Club to meet the incoming Group Study Exchange (GSE) team from Finland. If you are interested see me for details.
- \* More information will be circulating this meeting about the District Convention . If you are interested in attending any sessions please put your name down on the list. We can assist with enrolment application information if you need it. We will also need to advise Club Electors/Proxies for the Rotary General Meeting of the Company at the District Convention on Sunday 28 March.
- \* The Pres. met with the Manager of Boating Fishing and Camping (BCF) this week about our Club's purchase of a combination frig/freezer for our new BBQ trailer. He was very interested in our Club and reduced the price from \$1799 to \$1200 . Needless to say it was snapped up and is now being installed by Graeme Ensoll in our Trailer. Thanks also to those who have been helping Graeme with the work- good to have Engineer Phil and Len on the job .
- ' Rick Beasley mentioned the Mc Donalds \$100,000 Giveaway to me last week. Although it appeared to be for sporting clubs I did apply for a "pop-Up Tent for the Club. If we get 2nd or 3rd choices the soccer club may be happy recipients as I'm not sure how we could use goalpost pads or team water bottles!. On a similar theme I hope to attend a S.C. R. Council briefing next week about local Community Grant Applications due 15 March.
