REPORTS

- *Some more great news that has pleased Secretary Bob Nelson- The Australian/Pacific Office of Rotary International has advised full acceptance of our revised Constitution and Bylaws. Well done to all involved.*

* Vocational /Membership & P.R. Director Ray Mazoletti is investigating the feasibility of having a 'Young Chefs'Challenge' this year. The High Schools are very busy and it has been harder to get interest and involvement. Ray will report to us soon on his findings and get a Club perspective.

-Youth Director John Stevenson has advised the dates for the forthcoming Rotary Youth Driver Awareness (RYDA) programs for the year. They are:

Mon. May 10th Burnside High 90 students

Tues. May 11th Chancellor College 230 students

Mon. Aug. 30th Matthew Flinders 180 students

Tues. Aug. 31st To be advised

This is great news. John will be seeking assistance with these programs so let him know if you are interested.

- Community Service Director Ralph Ding is very busy sending out details and locations of entries into the Australia Day Parade. We sorted out the order on Monday and the number is over 40 which exceeds last year's total. Horse poo will be available afterwards for gardeners.

As Livestock Mgr. for Aust. Day will they see you Rick for details ?(Ho! Ho!)

- In February the Club will be sending in an application for a Rotary International Presidential Citation. After all the hard work this year by the Board and Club Members hopefully we may have a chance.

Did you know?

We have at least three possible new Members in the wings .That would take us to 30 Members. Great news.

PRES'S PONDERINGS

- It was great to induct our newest Member Chris Shingles into the Club last week and to have his wife Maria present. Welcome and congratulations.

- Thanks to all those who attended the working bee on the Rotary Australia Day Float. This coming Saturday at 10-00am at Graeme Ensoll's workshop we will be having a short working bee to add the final touches to the float. If you would like to be part of the action please advise me at the meeting tomorrow. We'll call for a show of hands from those interested.

- I will be able to borrow a small truck after Australia Day (as it is interstate for a week or two) to have a working bee to clean out the Club container at the Football Club, the shed at Harry's and the gear still in Bob Day's shed. I will let the people who volunteered to help know the date and time when I organise the truck.

- Ralph has received a large number of Australia day Programs to circulate to local shops and business houses next week. We need some helpers to assist him. Another show of hands tomorrow! Sorry that there have a lot of tasks to do lately but the Club is very active and busy at the moment which is a healthy sign.

- We have asked Cr Dickson from SCRC for assistance to replace our Rotary sign removed some years ago from Lion's Park reconstruction.
