## REPORTS

- Work on the BBQ trailer is moving into the final stages and Graeme Ensell will be taking the trailer to the signwriter soon for signs ready for its 'christening' on 28th February at the Club social and BBQ. Thanks to all who have assisted in its building.

- A reminder to all Members to try to identify sponsors for our Golf Day at any of the levels- gold, silver or bronze.

- A cheque for \$3,375 has been received from our Sister Club Wanaka in NZ as their share in the PNG Mosquito Net Program and this has been forwarded on to District 9600. Our contribution of \$7,295 has already been sent. Rotary Grants will take the total to \$20,000. This has been a great Club effort.

- Last night Ray Mazzoletti hosted another Prospective Members' Gathering at his office and three prospective members attended the enjoyable information and social session.

- John Stevenson will be circulating information at our meeting about a possible 'prawn sale' in early March as a Club fundraiser.

If you are interested let John know how many one - kilo packs you could sell. He has also received further good news about Chancellor State College involvement in RYDA this coming May.

-Although the Philippines GSE Team will not be with us until April 8-11 we need to have offers of interest in hosting the lady Team Leader and 2 men and 2 ladies in the Team. Let Phil know please.

## DID YOU KNOW?

At the 2006 Census Buderim had a population of 24,800. This however does not include the surrounding suburbs. The name Buderim comes from the local Kabi Kabi Aboriginal word ' Badderam" for the hairpin honeysuckle (Banksia spinulosa var.)

## PRES'S PONDERINGS

\* It was pleasing to receive a District letter from our DG, Walter Buchanan . The following is a quote from the letter-

*"At this stage in the year we have achieved just 27% of our Clubs' Annual Giving Goal, as submitted by Club President-Elects during the training cycle last year. Only 8 Clubs have so far achieved or surpassed their goal and Aspley, Buderim and Redcliffe City should be recognised in particular for their exceptional support. "*

So far this year Buderim Club's initial financial target of \$US1200 set in July 2009 for The Rotary Foundation has been exceeded by 250% to a total of \$US3000 which is \$136 a member. Congratulations all, as one of the top Clubs mentioned.

\* There was a very good response last week for people interested in attending the District Conference .Don't forget to Register on line at [www.rotary9600.org.au](http://www.rotary9600.org.au) . I will be trying to make a booking for a table at the 60's Night on the Saturday . Please let me know your numbers.

\* Sole kindly assembled and checked all our new AV equipment stored at my place and it works very well. We hope to display and use it at our next meeting.
