Journal No. 28 22/1/2010

## **REPORTS**

- Our District Governor Walter Buchanan has asked that as many Rotarians as possible( and especially new members) try to attend the District Conference over the 26-28 March weekend. This is an enjoyable and excellent way to learn more about Rotary - its organisation and activities. I know that we have a Saturday BBQ activity but it is still possible to attend some of the sessions and the Saturday evening dinner. I would like to get a group together to go to the Saturday sessions and the Saturday Night "Back to the 60's " Dinner and Rumble. Could you let me know if you are interested.

- I have recently had enquiries about donating money to the Haiti Appeal through Rotary and we will be able to arrange this. Please discuss this with me if you are interested.

- Ralph Ding has advised that nearly all the arrangements are in place for Australia Day although given the early road closures parking may still be a difficulty, but there is not much we can do about it. Ralph is sorting out the last few details and will brief us on Friday- he has sent out an email briefing too.

- Ray Mazoletti has formed a Sub-Committee to organise some Club picnics and get-togethers. Details will be given soon.

-The recent horror youth car crashes have highlighted how important the RYDA program is in youth driver awareness .

- Cr Christian Dickson has indicated he is willing to replace our lost Rotary sign and to recommend some Council sites we could erect the new sign. He will arrange further discussions with the Club Pres. and our PR Director Ray Mazoletti and his Committee.

## **Did you know?**

The District Governor has asked whether we have achieved 50% of our Club Goals for this half-year. It's a big YES, YES, YES, YES and it's up around 80% in membership, fundraising, service and public image and Club awareness in our district.

## **PRES'S PONDERINGS**

- Just a further reminder that this week's meeting is back at Harry's Restaurant- no dessert of course !!

- The Club over the years has received a large number of banners from all over Australia and the world. As part of our Australia Day Float they have been used very effectively as part of the design showing the links our Club has around the world.

- I recently visited Bev Hall who is quite unwell from Shingles which is a nasty illness. I passed on our best wishes for as speedy a recovery as is possible given that it takes some time to get over the effects of the illness.

- It's good to know that we have another prospective member interested in joining the Club. Meg will brief us on Friday.

- Terry Lucas our Assistant Governor is in regular contact and his interest and assistance is much appreciated. I have asked Terry for advice on our application for a Presidential Citation in March.

- I have been advised to bring money to give to the Sergeant on Friday and Frank , I have lost 3 kgs and can't find them anywhere!
