REPORTS

- Congratulations to Ralph Ding, the Australia Day Committee and all Members who were involved. Whether Members were involved in: the Parade in their Clubs or organisations; working in the Parade management; running the sausage Sizzle; manning our tent display; or in the construction of the float it was a great Club effort and raised the profile of our Club in the local community. From emails and comments received it was regarded as possibly the best ever Parade and Celebration.

- Sole Paez reports that we have had over 500 hits on our website as people review the videos of the parade and celebrations - a great effort and contribution Sole to our Club.

- Our takings at the bar-b-q were also excellent at around \$600 profit- all in all a great day.

- It was great to have Frank Cassells our prospective new member present at our last meeting. Procedures are now under way to approve through the Board and Club his membership application.

- This coming Sunday our Assistant Governor Terry Lucas will be meeting in Nambour with local Club Presidents to discuss various District matters as well as co-operation between Clubs locally.

Did you know? RI President elect Ray Klingensmith from Unionville, Missouri in the United States has decided that his theme will be "**Building Communities -Bridging Continents**"

PRES'S PONDERINGS

* There seems little doubt that the efforts and contributions that our Rotary Club makes to the success of Buderim's Australia Day Celebrations have now been recognised by our community.

* What we now have to do as a Club is to review, evaluate and decide on our ongoing role and involvement in Buderim's Australia Day Activities. Community Service Director Ralph Ding's final report on the outcomes and recommendations will be keenly awaited. Should the Club continue its current Parade involvement I believe it will need to consider streamlining the BWMCA liaison process.

* The next big Club service activities will be: organising the Club's Golf Day on 28th May which will be one of our biggest fundraisers for the year; and the completion of our new Club BBQ trailer and its introduction as a fundraising tool for the Club. In connection with this Graeme Ensoll needs the assistance of a few Members on this Saturday from 9-00am- 11-00am to remove the float decorations and panels so he can work on the BBQ. Please advise if you can help.

* My friend Phil's truck is back in town so if anyone is available for a clean-out and reorganisation of the storage container at Kunda Park for 2 hours next week let me know and we'll organise a time.

Important Dates

- * 20 March International Trivia Night
- * 26-28 March District 9600 Conference
- * 25 April ANZAC DAY March
- * 28 May Buderim RC Golf Day
- * 25 June Handover Dinner
