BOARD MEETING REPORT

- Secretary Bob Nelson has received advise from the Queensland Fair Trading Office that our Bylaws and Constitution have received government approval- congratulations to Bob and those involved

- The Xmas Raffle was a success and cleared \$5000 to go to our Club School Scholarship Support Fund and other Children's Welfare Groups.

Thanks to Club Members for the great support. It also has raised greatly our local Club profile in Buderim and District.

- The Club will purchase a box of caps to wear on the Australia Day Activities (Cost \$12-00 each). Four short -sleeved shirts main sizes will be purchased (Med, Large, XL and XXL) so that Members wishing to buy can check their shirt size and order them at 15 January meeting and pick them up at 22nd Jan. meeting for Australia Day activities. Len Bidstrup has been appointed ' Organiser'. (A Small Men's has been ordered for the Sgt at Arms given his reduced size- Ho! Ho!)

-Ralph Ding has advised that Australia Day organisation is well in hand and the insurance issues reconciled. The Bowel Scan project has been reinstated for this year and will be reconsidered for future years.

-Phil Martin advised that the Mosquito net project is slowly moving to conclusion and the Trivia Night will be on the Friday evening of March 20th.

-John Stevenson noted that we have two RYDA (Rotary Student Driver Awareness activities this year with Matthew Flinders and Chancellor State Colleges involved. A grant by Suncorp Bank to RYDA has reduced the student costs to attend and should result in higher numbers attending

Did you know?

Our Club meeting attendance numbers have risen greatly this year - congratulations and keep it up everyone.
